CATHOLIC CHURCH

## About The Child Care Ministries

---

The Child Care Ministry at St. Vincent de Paul welcomes families with small children by providing options that allow them to best celebrate Mass and other parish events, as a family. Through this ministry we hope all will feel welcome, included, and a part of our community.

We help the children in our care interact in positive ways by sharing, cooperating, using manners, and showing respect for others. We provide an environment that shows Jesus' love and faithfulness.

Our Child Care Ministry is a team of adults that have answered the call to serve the parish, and will serve in teams of 2 adults, at a minimum. All members of this team have

## Quick Information

---

**Who:** Child care is for children ages 6 months to 5 years during Sunday Mass, and for multi-aged children during our Parish events.

**Where:** Child Care is provided in the Community Room during Mass, and in Room 100 during our Parish events.

**When:** Sundays during the 9:00AM Mass, and other evenings throughout the year. Our schedule runs from October through the beginning of May.

**Why:** To support our families as they strive to grow in faith and community here at St. Vincent de Paul.

## Health Guidelines

---

Parents are asked to protect their children, and the health of others by keeping a child that is carrying an infectious disease from child care. A child with any of the following examples should not be able to participate in child care:

- Fever within the last 24 hours
  - A cold that may result in an uncontrollable cough or runny nose
  - Vomiting or diarrhea in the last 24 hours
  - An unexplainable rash
  - Any other infectious disease
- Your attention in protecting the health of your child and others is greatly appreciated.

## Comments/Concerns

---

We welcome any comments, concerns, or suggestions for the Child Care ministry. If you would like to support the ministry by joining the Child Care team, please contact us!
