To Make-up your Service project:

Please make every effort to attend the scheduled service project for your child's class teacher listed on the other side. However, If they are unable to attend their scheduled class date, the following should be done for make-up: **(Please remember that one service project must be completed during the 8th Grade Faith Formation year)**

1. You and your child are responsible for contacting another catechist by email from the list provided in order to request to attend the service project scheduled for that catechist.
2. You or your child must also tell your child's catechist which service project they are planning to attend.
4. Obtain a completed Service Project Verification form (yellow) from the attending Teacher and return it to your class teacher. This form ensures that your child will receive credit for attending the service project. This form can also be downloaded from our website: Saintvdp.org
